

Mary Elizabeth Black

GRAPHIC DESIGNER AT
MIZBLACK DESIGN

Working as a creative partner in all aspects of visual communication and design management — bringing brands, editorials, products and visual identities to life through thoughtful print and digital implementations, tailored to each brand's aesthetics and tone of voice.

Born and raised in Finland (b. 1985, given name Maria Elisabet Lukkarinen), studied graphic design in the Czech Republic, currently residing in Hamburg, Germany... and always on the mission to bring more design & visual flair into the world.

WORK EXPERIENCE

2014-

FREELANCE GRAPHIC DESIGNER

MIZBLACK Design. Hamburg, Germany.

Working in print and digital mediums with global clientele from creative marketing agencies and publications to companies and businesses in fields of fashion, beauty/wellness, travel, gastronomy, education and software/tech. Key responsibilities and deliverables:

- **Development of print and digital collaterals** based on project brief and their thoughtful and cohesive application throughout different mediums and formats
- **Analysis** of target audience, current market & trends
- **Project management and communication** with the client/teams to ensure that deadlines are met and the designs reflect their needs and goals aesthetically, communicatively and practically
- **Creative consultation and production planning/assisting** with photo shoots and print products
- **Print:** brochures, booklets, magazines, packaging, exhibition booths, banners/billboards, posters, flyers, labels, stickers, stationery
- **Digital:** eBooks, presentations, display ads, email banners, social media graphics, iconography, infographics, web design

2010-2014

LEAD GRAPHIC DESIGNER & PROJECT MANAGER

Lime&Tonic. Prague, Czech Republic.

A social concierge platform providing curated experiences in cities across the globe. Key responsibilities:

- **Development of the visual identity** and an array of print and digital work — from print banners, advertising and brochures to display ads, social media graphics and web design.
- **Project management** of the experience creation process; working with copywriters, photographers and other team members to promote and launch new experiences in timely manner and ensuring that the tone of voice and designs are consistent with the brand identity and mission.
